EXAMINER'S AMENDMENT

- An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicants' representative, Anthony J. Josephson, on 06/06/2007.

- In the Claims filed on 06/04/07, please
REPLACE claim 68 with the following claim 68 (without strike-through and underlining markings):

68. A method of providing audio segments to a gateway to be played to an end user of a telecommunications network, said method comprising:

accessing audio segments within a centralized database;

constructing an audio package from audio segments in the centralized database;

constructing an index file within the audio package that indicates to the gateway where in the audio package an audio segment is located;

exporting the audio package to the gateway,

wherein the constructed audio package is associated with a version number and each audio package constructed is tracked by its own version number.
